

Bridging the Future of Innovation at WOCEE 2024!

Worldbex Services International (WSI) proudly returns for another much-awaited prestigious exhibition where innovation and the latest advancement in consumer electronics showcase the technology's finest achievements in the World of Consumer Electronics Expo (WOCEE) this 2024.

Celebrating its six years of innovation, WOCEE 2024 is honored to grandly present a trendsetting lineup and dynamic set of company brands, including Avid Sales Corporation, Epson Philippines Corporation, Globaltronics Inc., Haier Philippines, Henry's Professional Photo Marketing Inc., Isr Products, Inc., JG Superstore, Nauts And Vectors Company Inc., Powermac Center Inc., Simply Moving Philippines Inc., Vteco Computer Solutions Inc., and many more. This year's edition of WOCEE was made possible by the distinguished and generous sponsorship of UGreen, a leader in electronic accessories and digital innovation, showcasing its latest offerings, such as advanced charging solutions, connectivity devices, and smart home accessories. WOCEE 2024 also collaborates with esteemed partners like Museigen.io, Mineski, the Federation of International Drone Soccer Association (FIDA), the Mechatronics and Robotics Society of the Philippines (MRSP), and the Philippine Drone Soccer Association (PDSA) to enhance its reach and impact, demonstrating its commitment to advancing drone sports and technology.

Simultaneously, WOCEE also highlights The Gamers' Den with its interactive gaming experience that aims to engage casual and hardcore gamers, providing a place for game developers and gaming enthusiasts. Another highlight to watch out for is the Tech Talks happening at the Nexus Stage. TechTalk will feature a series of live seminars and conferences that will bring industry experts together to impart valuable insights on global innovations and technology, enhancing the technological knowledge of attendees. Lastly, The Drone soccer activation, a thrilling and dynamic sport that merges the aspects of soccer with drone racing. It is another exciting attraction visitors should not miss at this event. The World of Consumer Electronics Expo (WOCEE) will feature the latest advancements in consumer electronics, offering a platform for tech enthusiasts, industry professionals, and consumers to explore the future of consumer electronics.

Don't miss the chance to be part of the future at the World of Consumer Electronics Expo (WOCEE) 2024! Mark your calendars and be part of an event that promises to inspire and transform this August 7 - 10, 2024, at the SMX Convention Center Manila.

The World of Consumer Electronics Expo (WOCEE) 2024 is organized by Worldbex Services International and for the benefit of the ABS CBN Foundation Incorporated. For inquiries and concerns, you may reach us at (02)8656-96-39, or email us at inquire@worldbexevents.com.
