

Elevating Safety and Security to New Heights at WOSAS 2024!

The World of Safety and Security Expo (WOSAS) 2024, organized by Worldbex Services International (WSI), will once again serve as a premier platform for advancing safety and security. This distinguished event will bring together industry leaders, innovators, and professionals to converge and address the most pressing challenges in the safety and security industry.

WOSAS 2024 features brands like Activ8 Diversified Technology Inc., Big Leap Technologies Inc., Blue Mountain Safety Products Industrial Company Inc., Delta Plus Philippines Inc., Hancom, Homesecure Security System Services, Palmer-Asia Inc., Philteq Enterprise Inc., Versa Innovation, along with other local and international companies dedicated to safety and security. This year, WOSAS also collaborated with key Association partners, including the Campus Security and Safety Management Alliance of the Philippines (CSSMAP), La Guardia, and the Philippine Association of Certified Security Risk Management Specialists (PACSRMS), highlighting its commitment to security and safety management.

One of the event highlights of WOSAS 2024 is SecuCon. It features the latest security solutions and innovative strategies for tackling modern safety challenges through live discussions and presentations. Additionally, this year's edition of WOSAS will proudly features for the first time the different Government Agencies such as the Police and National Bureau of Investigation (NBI) that will facilitate the processing of NBI clearances during the event, The Department of Science and Technology (DOST), The Bureau of Fire Protection (BFP), The Philippine Red Cross, and many more which will provide valuable insights into their collaborative efforts and dedication to enhancing public safety, allowing visitors to interact directly with leading experts from these government agencies.

Undoubtedly, the main attraction of the event will be the display of cutting-edge technologies and innovative approaches that are transforming the field of safety and security. WOSAS is committed to addressing current security issues, also encouraging innovative solutions and promoting relevant discussions on building safer, more resilient environments for everyone.

Join us as we pave the way for a safer, more secure future, and resilient global community on August 7 - 10, 2024, at the SMX Convention Center Manila.
